

Proposed
Solution:

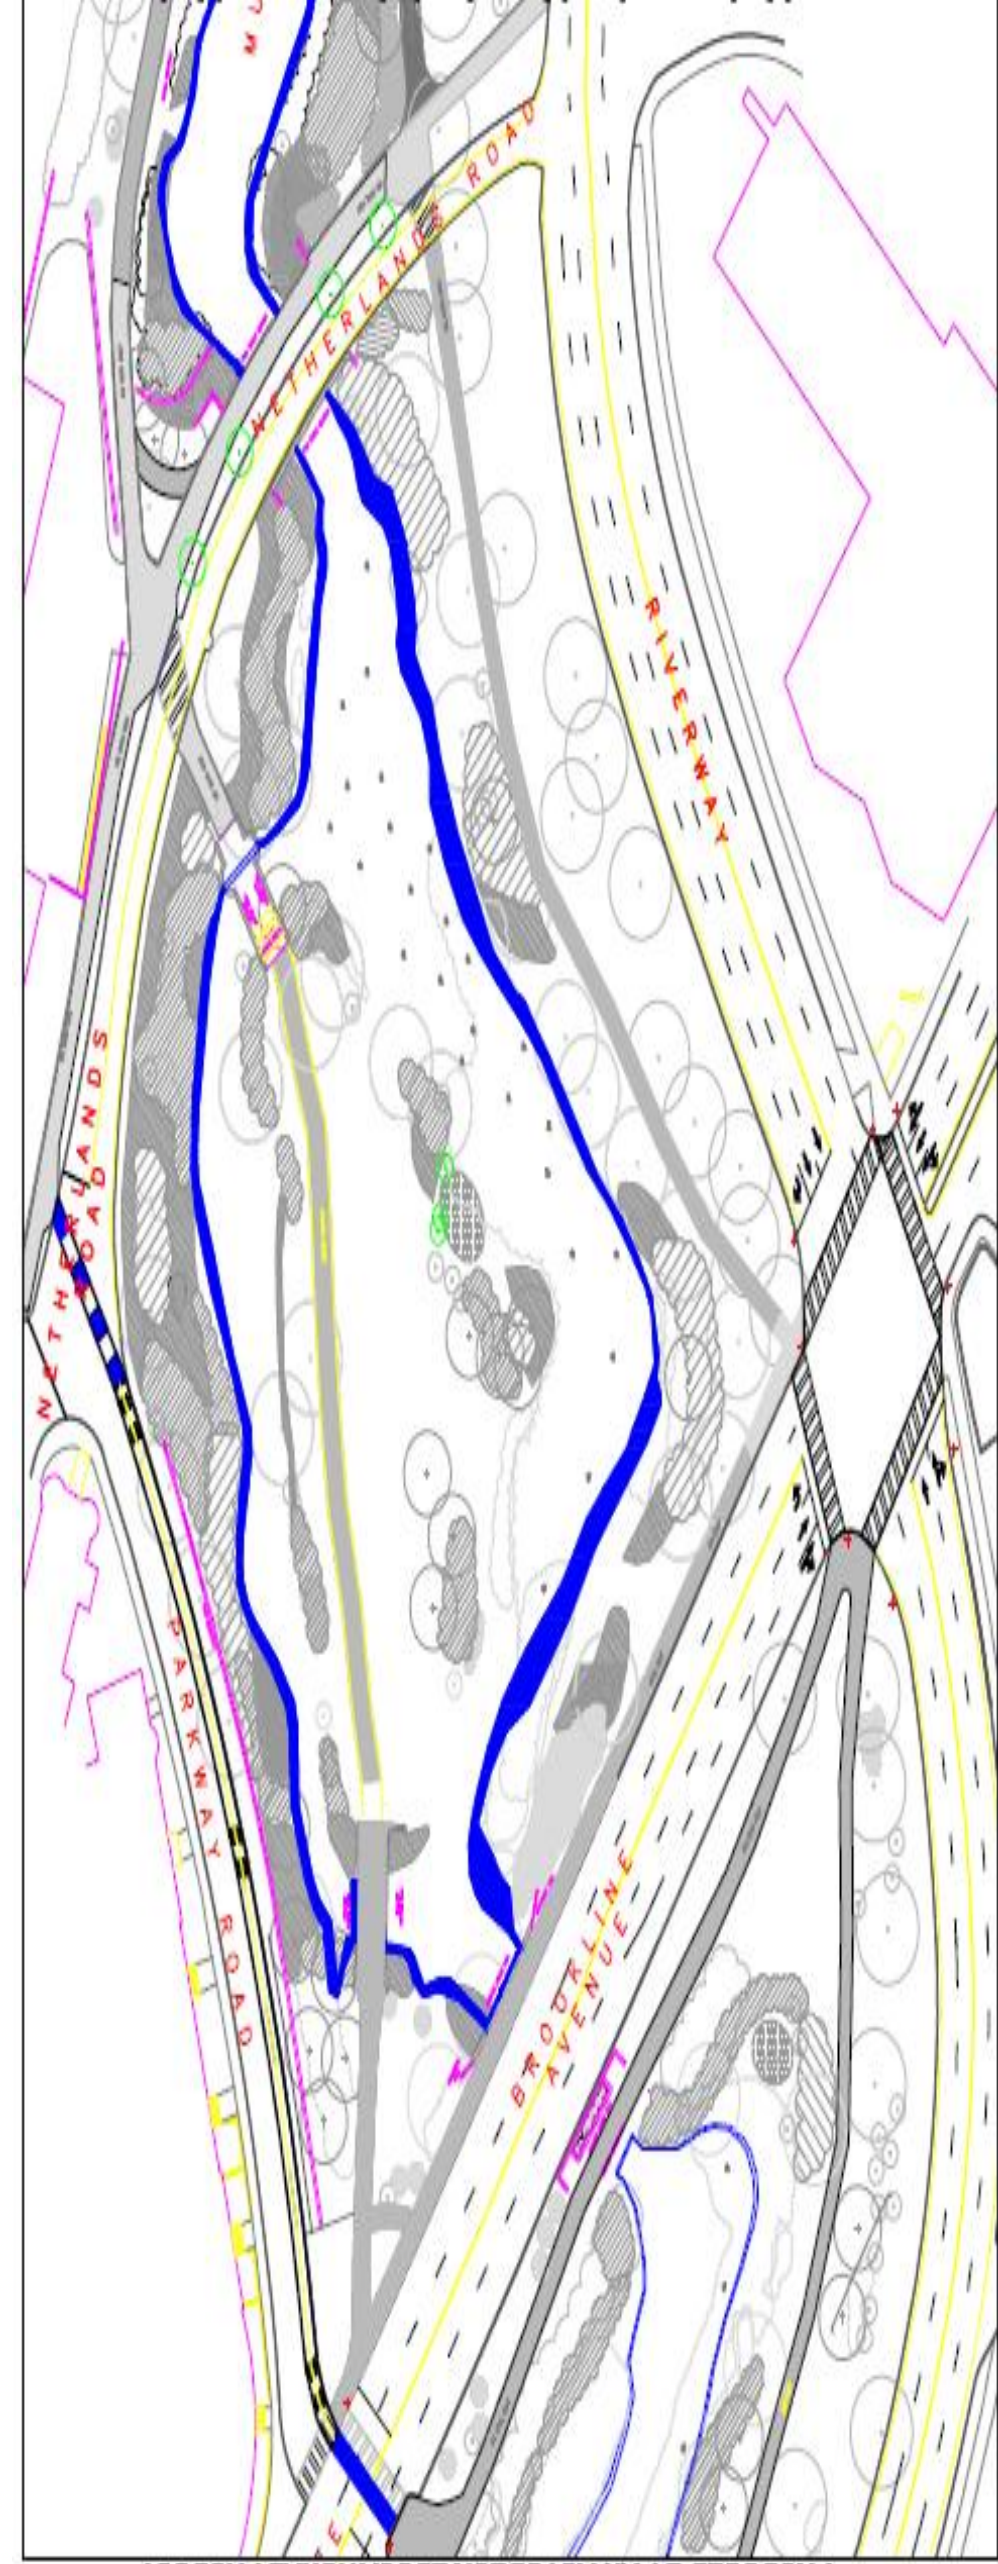

2. Addition of
a specific lane
and stop light
for cyclists
and
pedestrians
crossing
Brookline
Ave.

Proposed
Solution:

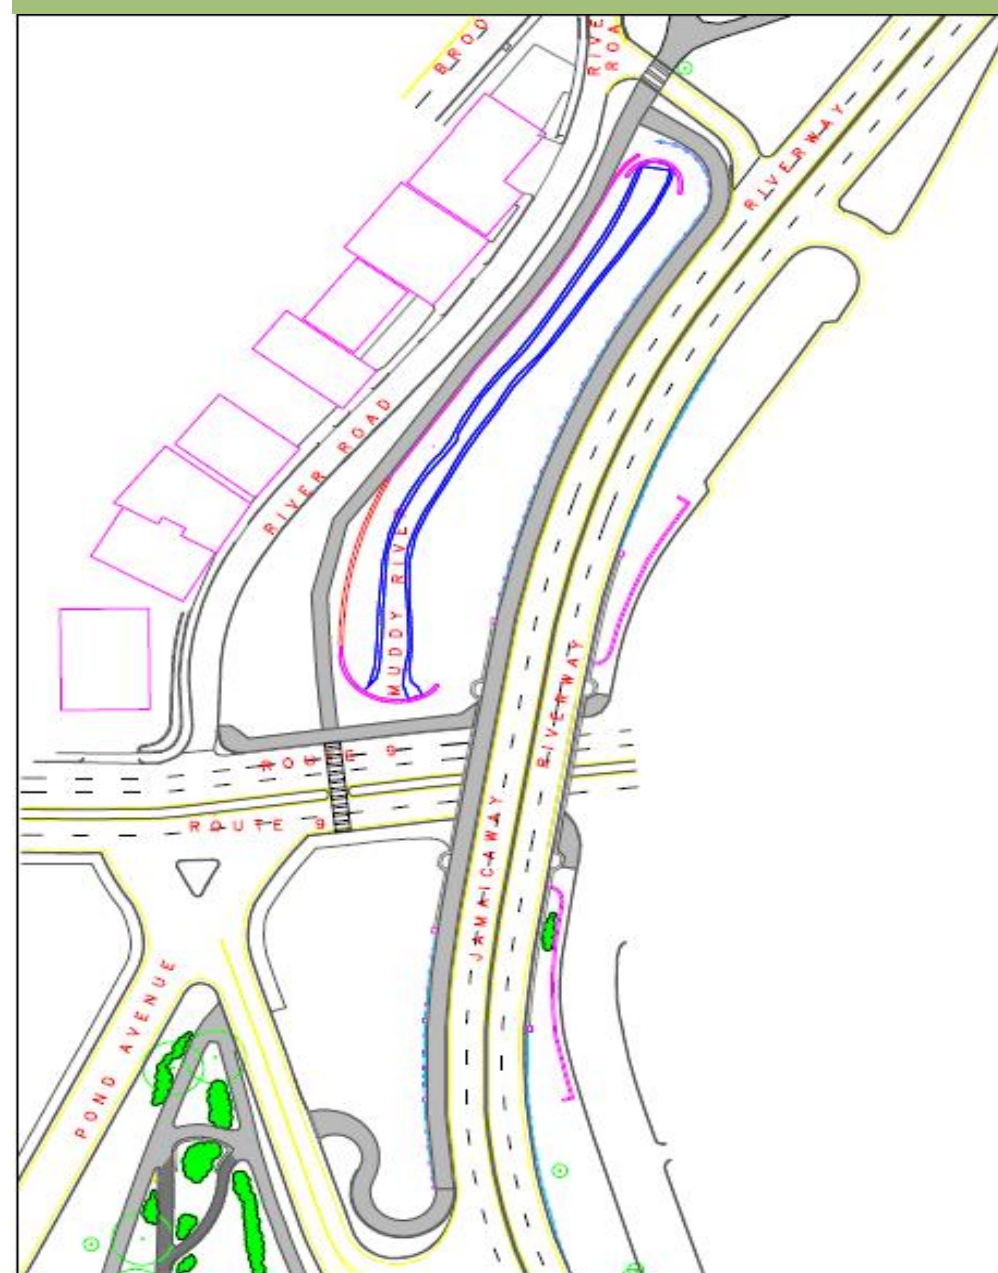

3. Closure of
the Riverway
off ramp and
a redesign of
River Road to
allow easier
crossing of
this road by
cyclists and
pedestrians.

Proposed Solution

1. Redesign of Netherlands Rd. and Parkway Rd. to redirect traffic and to include a two way bike path

Proposed Solution

4. Adding both an at grade crossing and a raised crossing to allow cyclists and pedestrians to cross Rt. 9.
